

Canada's Complete Safety Solution

safety

BIO MED WASH® Emergency First Aid Wash

The sole ingredient in BIO MED WASH® is the company's trade-secret Bio-Logic Aqua® tissue-culture grade water, a pH-balanced water that is naturally pure, non-allergenic, 100% safe for external application, and a proven natural moisturizer for skin and eyes.

7oz Single Wall or Truck Mount

Twin Pack
2 – 7oz Can Box

Trigger Actuator

The BIO MED WASH® trigger actuator emits Bio-Logic Aqua® tissue-culture grade water as a spray, making it unnecessary to touch the wound.

Bag-In-Can Technology

Cutting edge "bag-in-can" technology improves sanitation, avoids chemical propellants and preservatives, and increases the product's useful life by insulating the water against extreme heat and cold.

Personal EyeWash Station

3oz BMW w/holster
